

Secrets Revealed: Hammerless Intercrestal Sinus Lift and Guided Implant Placement Course

“Recession Proof”

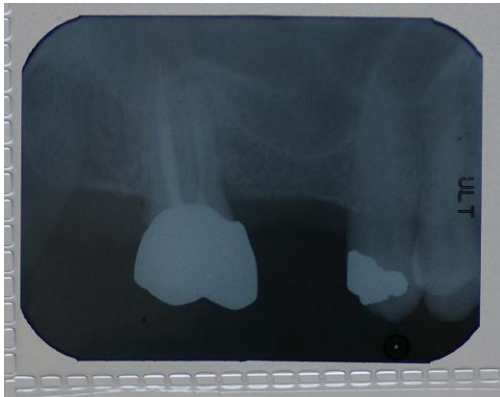

your office by incorporating these concepts into your general practice!

November 2, 2012 Fri.

Attending this One Day Seminar you will learn:

- Case presentation that works in any economy
- Dynamics of Simple Implant Placement & Restoration
- Learn Hammerless Intercrestal Sinus Lift
- 3D Planning and Guided Implant Placement
- Overdentures, Hybrids, and Fixed Bridges on dental implants

- Atraumatic Extractions and Grafting Simplified
- Immediate Implant Placement & Progressive Loading
- Advantages of Zirconium Crowns & Bridges reviewed
- Marketing that gets patients in to accept treatment
- Troubleshooting Rehabilitation and Reconstruction cases

“Your presentation was fabulous and we all learned a lot. The clinical instruction was awesome as well and it was everything we had hoped it would be, and more. BTW, the implant case I did Monday was great, thanks to you!” Dr. Doskoris, MI.

Speakers for this one day Lecture & Hands-On

Ara Nazarian DDS, DICOI

Paresh Patel DDS, DIAMD
